

East Chambers Elementary
Pre-Kindergarten Family Engagement Plan
2016-2017

In order to encourage families to be actively involved in their PK student's education, we strive to welcome all parents and family members to campus and district events. In addition to ECE Open House, Meet the Teacher, and Pre-Kindergarten Graduation, our Pre-Kindergarten teachers intend to consistently implement the following strategies for increasing involvement:

- Daily Student Conduct Sheets
- Weekly Bulletins
- Monthly calendars of events and school lunch menu
- All notes sent home in English and Spanish
- Bilingual staff in all Pre-Kindergarten classrooms
- Volunteer opportunities
- Internet based learning related to Pre-Kindergarten Guidelines and Big Day Curriculum
- Open communication and informal surveys
