Parent Information

- Kids are running low on supplies
 1. Pencils
 2. Erasers
 3. Paper

If your child doesn't have homework, they should be reading, practicing math facts, and/or writing in a journal. Any extra practice that is parent initiated will make an impression on your child. If they feel their education is important to you, they will make it important to them!

My Teacher Took My iPod A Funny School Poem for Kids

My teacher took my iPod.
She said they had a rule;
I couldn't bring it into class
or even to the school.

She said she would return it;
I'd have it back today.
But then she tried my headphones on
and gave a click on Play.

She looked a little startled,
but after just a while
she made sure we were occupied
and cracked a wicked smile.

Her body started swaying.
Her toes began to tap.
She soon was grooving in her seat
and rocking to the rap.

My teacher changed her mind.
She said it's now okay
to bring my iPod into class.
She takes it every day.
