

ECJH Dance

Manager Duties and Responsibilities

Managers are required to attend all practices, games and meetings.

Managers will help the coaches with organizing materials and equipment.

Each manager will be assigned part of the squad. Their duties with them members are as follows:

- 1) At practices be sure your members are on time to practice, dressed properly, no gum, no fake nails, no jewelry, hair pulled back in a ponytail, no bangs or hanging hair. (Demerit system for you girls)
- 2) At football games be sure your part of the squad is prepared, cheering, and supporting the team.
- 3) At pep rallies give music to Ms. Rollo, let the girls know when they are about to perform, poms or props are with the girls. Be sure your girls are in compliance with the rules. Check for proper attire, no jewelry, no gum, wrap on, hair done properly, no bra straps showing, and no nail polish on fingers.
- 4) During activity period on Tuesday check in with Mrs. Ashworth and Mrs. Lavergne to see if props are needed, notes to be given to the girls, etc.

We do not include our managers in our team picture. Managers will have a picture taken separately and placed on our page in the annual.

I am also planning on us buying an ad in the High School program with the Dance Team picture in it which will include our managers.

When we take other informal group pictures then the managers will be pictured with the group and in the newspaper. We will take a picture of you also to place with the squad on our web page. When we name our girls at the football games and/or pep rally, you will also be named and presented.

Managers and dance team participants will be allowed to create dances. If the dance is approved by the coaches, then you will be allowed to teach the dance. You will be given credit for the dance at the pep rally, game, and in the annual.

The managers are a very important part of our team and we only want girls that are willing to work hard and be supportive.

Please do not apply if you cannot fulfill these requirements.
